ACCURATUS® BY CERATECH

LIGHTNING 01
Illuminated Slim Keyboard

Model Number: KYB-LIGHTNING-01

About:
Accuratus lightning range : brighter than the average keyboard

This is the beautifully formed 'backlight' keyboard from Accuratus. As the natural light dims, the Accuratus Lightning floods the keys with soft blue backlighting allowing you to work long into the night without disturbing others around you.

Built with a stylish white case, the Accuratus Lightning is without doubt a handsome looking keyboard, add to that USB connectivity and doesn't come much better than this.
